

Question:

- Is it possible to generate methods without OID in the name?
- The code generator Physical Experiment appends all method names with an OID per default
 - Is it possible to turn this behavior off?

Answer:

1. In **ASCET** > Open project with **Project Editor** > Menu bar > **File** > **Properties...** > **Project Properties** > **Build** > **Code Generation** > **Experiment Code**:
2. Disable **Use OID for Generation of Component Names**
