# In ASCET: INFO(IMake1): Hint: select "Project Header and Source" in project option "Header/C Code Structure" for reduced compiling time
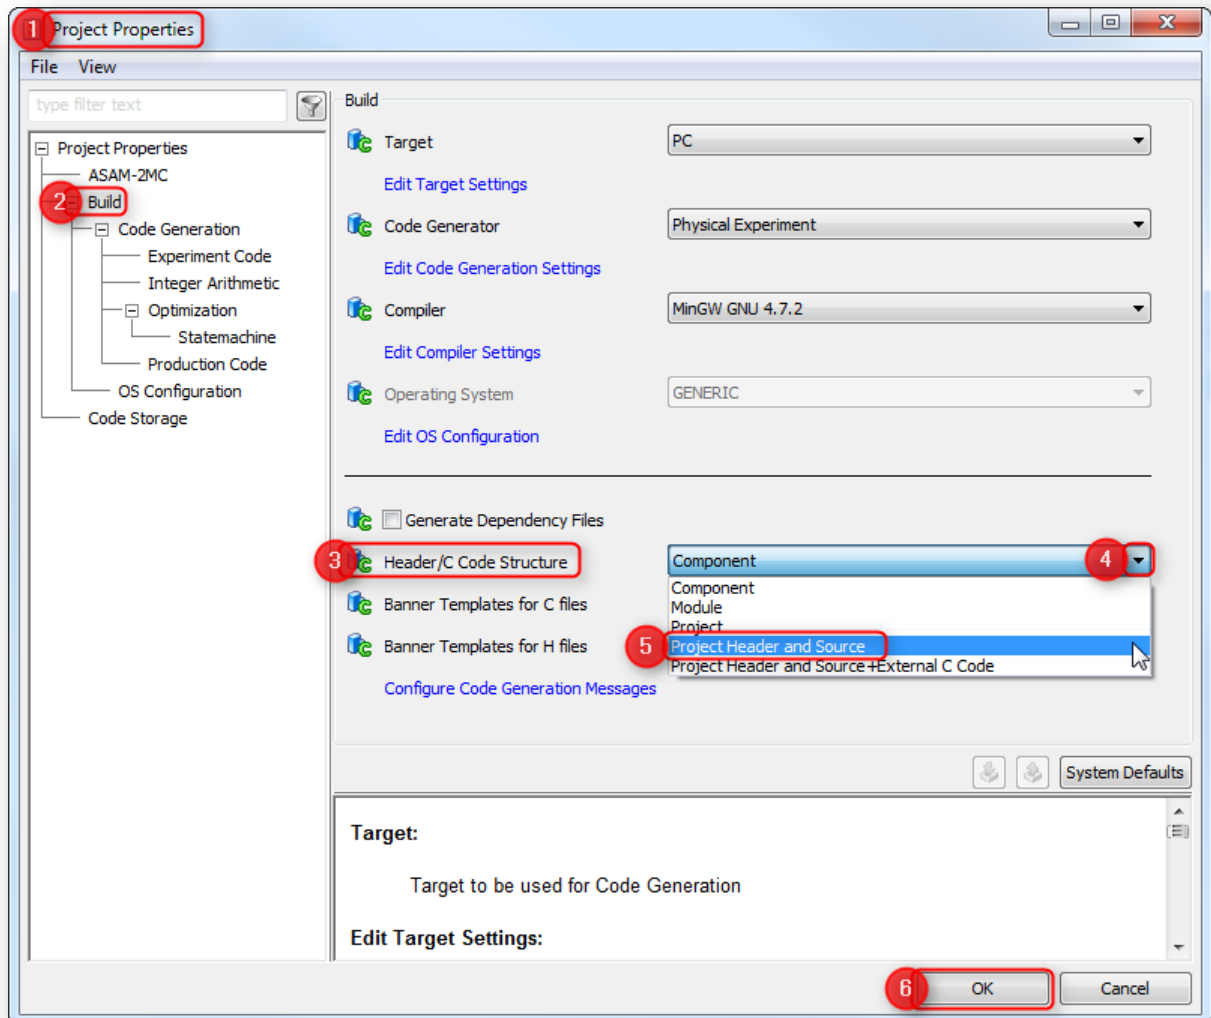

? Question:

- When generating code from my ASCET model there is following message:
  - *INFO(IMake1): Hint: select "Project Header and Source" in project option "Header/C Code Structure" for reduced compiling time*

- How can I "select 'Project Header and Source' in project option 'Header/C Code Structure'"?
- Where do I have to click?

Answer:

- The provided information translates to the following instructions:
  - Open **Project >** Open dialog **Project Properties:**
  - Tree view on the left side **>** on **Build**: Left mouse button click
  - Field **Header/C Code Structure >** in the drop down list: select **Project Header and Source**
 - Finally click **OK** button

Additional information:

- In case there is no project:
  - ASCET uses a **default project**
  - In **Block Diagram editor > Menu bar > Extras > Default Project > Open**

- In **Project Editor**: Open dialog **Project Properties** via **menu bar > File > Properties...,** or just click the Properties icon
